COMPANY LOGO

Please send logo in JPG format on or before September 30, 2026 to: info@colegiooptometraspr.com. It will be inserted into the electronic screen located in the registration area. We need your cooperation. If you do not send the logo by the deadline, unfortunately we cannot insert it, since that requires programming and it is difficult to enter them on the same day of the event.

ACTIVITIES IN THE EXHIBITION AREA

ONLY SPONSORS will have exclusivity to have activities in their exhibitor area, coffee stations, wine bar or any station that is classified as food, desserts, etc. If you set up a campaign without following this instruction, you will be politely notified that you cannot have it in your area.

INFORMATION FOR RESERVING EXHIBITION SPACE

5. If the company manufactures eyeglass frames, it must provide certification or genuine evidence of exclusivity for the lines to be displayed. Close-out sales are NOT accepted.

If you do not submit the requested document, we will not be reserving the space.

We indicate that if you intend to have any type of special offer in your space, you must consult beforehand with the coordinator (Griselle Hernández) or the president of the Commission (Dr. Anouk Underwood). If a situation arises that merits an intervention by an officer of the Colegio, or if any exhibitor fails to follow

the instructions set forth herein, the Colegio shall have the discretion to prohibit the exhibitor from participating in future activities of the Colegio. We appreciate your help and cooperation in this regard.

To avoid situations that interrupt the proper functioning of the exhibition area, each exhibitor is urged that he must be duly authorized by (or be the exclusive representative of) the brand or product line that is being exhibited. In this way, situations or disagreements between exhibitors are avoided.

Please read the hotel's instructions regarding the loading area and other details included in this package.
