

25TH OPTOMETRIC CONGRESS

OCTOBER 16-18, 2026
SHERATON PUERTO RICO RESORT
SAN JUAN, PUERTO RICO

MESSAGE FROM THE PRESIDENT'S COMMISSION

Dear Colleagues:

On behalf of the 2026 Congress Committee, it is my great pleasure to invite you to attend the 2026 Puerto Rico Optometric Congress, *"On the Road to the Future,"* taking place October 16-18, 2026, at the Sheraton Puerto Rico Hotel & Convention Center, located in the vibrant Distrito T-Mobile in San Juan, Puerto Rico.

This year's congress has been designed to provide a comprehensive weekend of continuing education, professional development, and networking opportunities for optometrists from across Puerto Rico and beyond. Attendees will enjoy a full three-day program featuring distinguished speakers, the latest clinical advances, emerging technologies, and discussions focused on the future of optometric care.

As our profession continues to evolve, it is more important than ever to stay informed about innovations in patient care, ocular disease management, diagnostic technology, and the growing role of artificial intelligence in healthcare.

Our goal is to equip attendees with the knowledge and tools needed to navigate the future of optometry with confidence and excellence.

We look forward to welcoming you to what promises to be an engaging, educational, and inspiring event. Join us as we come together to learn, connect, and shape the future of our profession.

Thank you for your continued commitment to advancing optometric care in Puerto Rico.

¡We hope to see you in October 2026!

Sincerely,
Dr. Anouk Underwood
President 2026 Congress Committee
